30+ PLAYOFFS GET UNDERWAY TODAY WITH TOP SIX TEAMS IN EACH DIVISION QUALIFYING — MABL WORLD SERIES OFF TO A FAST START

By Tom Prendergast

The Sacramento Giants enter the 30+ American playoff round as the odds on favorite with a pool play record of five wins, no losses and one tie. The Northern California Stars finished in second place with a record of four wins, one loss and one tie. The Stars only loss came against Sacramento (13-7) in game one of the tournament on Sunday. Both of those teams receive a bye in the first round and will face the winners of the 9:45a games. In the 30+ National playoffs, Dallas Hansen's Energy finished first with a record of four wins, one loss and one tie while the Long Island Storm ended up in second place with a record of four wins and two losses. These two teams also receive a bye in the first round and will play the winners of the 9:30a games. If the Long Island Storm advance with a win in the semi final game (played at 2:00p), then the 30+ National Championship game will be played at Fitch # 3, at 7:00p tonight. Several MABL World Series got a fast start out of the gate with a few scores that looked more like football totals than baseball.
