Longtime MSBL/MABL World Series photographers CJ Jones (left) and Chris Denevi (right) were inducted into the World Series Hall of Fame during last night's MSBL WS awards banquet held at the Rustler's Rooste. Chris Denevi and CJ Jones have certainly become two of the most recognizable mainstays at the MSBL/MABL World Series.

They started taking pictures of championship MSBL World Series teams in 1992 and since that time they've become a fixture of on-field award ceremonies and impromptu celebrations. Chris and CJ have become experts at photographing and organizing the winning team over the years. In fact, it's tough to remember how HardBall magazine received their championship team photos before Denevi and Jones. One thing is clear, Chris and CJ have earned the privilege of being in the MSBL WS Hall of Fame.
