### Road Construction On Highway 143 Shut Down At Washington Street

The AZ Department of Transportation continues to close major roadways with on-going construction projects. This weekend they are working on highway 143. All cars must exit at Washington. So if you are heading to Papago and or forced to exit at Washington, (go right) to Galvin Parkway and turn left. Stay on Galvin Pky until you get to McDowell. The Papago Park Complex is one block past the intersection on the left.
