MSBL National Hall Of Fame Adds Four New Members This Year

By Tom Prendergast

MSBL National President Steve Sigler has selected four new MSBL / MABL members for induction into the National Hall of Fame. Roger Stanley (DC Metro), Skip Bradley (San Antonio), Jim Tanner (Terre Haute) and Joe Banasik (Houston).

For the past 16 years, Roger Stanley and his partner Larry Lombardi have directed one of the top MSBL and MABL Leagues in the country. With 91 teams, they oversee one of the largest leagues in the nation. Hard work, long hours and good people have been the secret to their great success. Roger first joined the league as a player and then became a manager and later the next year a director. With a flair for writing software, Roger came up with a patented software program made exclusively for the DC MSBL / MABL. This allows them to maintain a database of over 1500 players, schedule all their games and keep track of payments and league statistics.

Known as a by-the-book task master, Skip Bradley runs a tight ship in San Antonio. Since 1994 he has presided over a league that started with 6 teams and now has 36. The league is incredibly organized and well run. One of Skip's many qualities is his attention to detail. Since Skip took over the helm in San Antonio, their league has been incredibly active in participating in regional and national tournaments. Since 1994 they have sent 103 teams to the WS, 8 to the Fall Classic, 4 to the Holiday Classic in Disney World and 1 to the Las Vegas Open.

Jim Tanner became aware of the MSBL while watching tv back in 1990. He was watching the Sports Channel network and came across the MSBL World Series. He was immediately curious to see how he could get involved in a Men's Senior Baseball League. In 1991 the Terre Haute MSBL made its debut with 4 teams. Since 1992 teams from Terre Haute have (continued on page 3)

28+ National Atlanta Astros Off To A Great Start At 4 And 0

So California Brewers and West Side Dawgs Remain Unbeaten In 28+ Continental
By Tom Prendergast

Halfway through the pool play round the Atlanta Astros are red hot and undefeated with a 4-0 record. They have scored 35 runs while allowing 19 and are a top the 28+ National Division. The Astros are hoping to finish in first place and earn a bye into the final game. In the 28+ Continental Division, two teams remain unbeaten; the So California Brewers (4-0) and the Westside Dawgs (3-0). The So California Brewers have allowed just three runs while scoring 25 in their first four games, good for the top spot in 28+ Continental Division 2. The second place team, the Westside Dawgs are 3 - 0 and have scored 25 runs while allowing 9.

Rain caused a few problems on Monday as all the afternoon and evening games at the Peoria Complex were rained out. Two of the games were stopped in the third inning and those games will be resumed (at the point where they were at when the rains came) where they left off today. Today's revised World Series master schedule can be found on page 2.

2005 MSBL / MABL World Series Souvenir Program

This year's 2005 MSBL/MABL World Series souvenir program (right) has a new look. Not as bulky as in years past, this year's edition includes teams by division, field and map directions, photos of last year's championship teams, and a year-by-year recap of past MSBL / MABL WS championship scores by division.

The cover includes the 2005 World Series logo. All of the photos in this year's World Series program were taken by the "official" World Series and HardBall photographers - Chris Denevi and CJ Jones and Norine Rathbone.

**World Series Office Equipped With The Baseball Encyclopedia**

Every year the question of whether or not a WS participant has played in the Majors always seem to come up. This year those questions will be answered in minutes. If your team suspects a player from another team of being a former MLB player, give the WS office a call.

participated in many regional and national tournaments. In addition to running a top quality league, Jim really enjoys getting to play with the kids that he used to coach in little league.

Since 1997, Joe Banasik has been in charge of the Houston MABL. After learning about the league through a newspaper advertisement, Joe has been heavily involved in the growth and day-to-day business of the league. Joining the MSBL and MABL was the best decision that the Houston league ever made.

They originally signed up with the national office just so they could participate in regional tournaments. As it turned out becoming part of the nationwide MSBL and MABL brought them more name recognition and national credibility.

Roger, Skip, Jim and Joe will each receive their awards at the MSBL World Series Awards Banquet held on Saturday October 29th & Saturday November 5th.
