A Few Things To Keep In Mind Before Notifying The Umpire Of A Protest

By Tom Prendergast

Hold on to that \$50 dollars a few more minutes before announcing to the umpire that you intend on making a protest. Remember that an umpire's judgment is not protestable and neither is the time limit.

According to the Official Rules of Major League Baseball "Annotated",

Professional Interpretation

rule 4.10 states the following:

"In making a decision as to when to invoke the curfew, the umpire shall rule that an inning or half-inning starts immediately after the third out of the preceding inning is made."
