# MSBL National Hall Of Fame Adds Four New Members This Year

By Tom Prendergast

MSBL National President Steve Sigler has selected four new MSBL / MABL members for induction into the National Hall of Fame: Roger Stanley (DC Metro), Skip Bradley (San Antonio), Jim Tanner (Terre Haute) and Joe Banasik (Houston).

For the past 16 years, Roger Stanley and his partner Larry Lombardi have directed one of the top MSBL and MABL Leagues in the country. With 91 teams, they oversee one of the largest leagues in the nation. Hard work, long hours and good people have been the secret to their great success. Roger first joined the league as a player and then became a manager and later the next year a director. With a flair for writing software, Roger came up with a patented software program made exclusively for the DC MSBL / MABL. This allows them to maintain a database of over 1500 players, schedule all their games and keep track of payments and league statistics.

Known as a by-the-book task master, Skip Bradley runs a tight ship in San Antonio. Since 1994 he has presided over a league that started with 6 teams and now has 36. The league is incredibly organized and well run. One of Skip's many qualities is his attention to detail. Since Skip took over the helm in San Antonio, their league has been incredibly active in participating in regional and national tournaments. Since 1994 they have sent 103 teams to the WS, 8 to the Fall Classic, 4 to the Holiday Classic in Disney and one to the Las Vegas Open.

Jim Tanner became aware of the MSBL while watching tv back in 1990. He was watching the Sports Channel network and came across the MSBL World Series. He was immediately curious to see how he could get involved in a Men's Senior Baseball League. In 1991 the Terre Haute MSBL made its debut with 4 teams. Since 1992 teams from Terre Haute have (continued on page 2)

#### Great Weather Welcomes The MSBL To Sunny Arizona Central Participation Rule Still Creating Some Confusion With Teams By Tom Prendergast

It's easy to understand why the greater Phoenix metropolitan area is called the "Valley of the Sun", after a day like yesterday. "Why that's the kind of day that the Convention and Visitors Bureau put in their brochures", said WS communication director Clyde Miller. Both the weather and the competition on the ball field was terrific.

Part of what makes playing in the MSBL such a great experience anywhere is the guys that make up the teams. Last night at Hohokam Stadium was a text book example. In a 38+ Wood Bat American game the Buffalo Indians were playing the Chicago Reds. Mike Cavalier was playing second base for the Reds and was involved in an collision with his center fielder Neal Cooper. Mike went down after receiving a knee to his chest and was having trouble breathing. Buffalo Indians first baseman, Mike Myers raced onto the field and immediately began giving aid to his fallen opponent. In real life Mike is the assistant Fire Chief, for Wilson Fire Company # 1, in Wilson, New York. Mike brought a sense of calm to the situation with a steady hand and a take-charge spirit until the paramedics arrived at the field. Injured Chicago Reds player Mike Cavalier (continued on page 2)

The MSBL (continued from page 1) was taken to a local hospital with a possible broken rib or two. Both teams displayed excellent sportsmanship during the wait and since the game had a 10:00p lights out curfew, the teams agreed to finish the game later today at Fitch. The Reds were ahead 5-0 after seven innings.

In other WS news, teams that are playing in the Central division need to remember the participation rule requires that every player (up to 15) needs to get at least one (1) plate appearance in the game.

participated in many regional and
national tournaments. In addition to
running a top quality league, Jim
really enjoys getting to play with the
kids that he used to coach in little
league.

Since 1997, Joe Banasik has been in charge of the Houston MABL. After learning about the league through a newspaper advertisement, Joe has been heavily involved in the growth and day-to-day business of the league. Joining the MSBL and MABL was the best decision that the Houston league ever made. They originally signed up with the national office just so they could participate in regional tournaments. As it turned out becoming part of the nationwide MSBL and MABL brought them more name recognition and national credibility.

Roger, Skip, Jim and Joe will each receive their awards at the MSBL World Series Awards Banquet held on Saturday October 29th and Saturday November 5th.
