**A Few Things To Keep In Mind Before  
Notifying The Umpire Of A Protest**

*By Tom Prendergast*

Hold on to that \$50 dollars a few more minutes before announcing to the umpire that you intend on making a protest. Remember that an umpire's judgment is not protestable and neither is the time limit. According to the Official Rules of Major League Baseball "Annotated",

**Professional Interpretation**

rule 4.10 states the following:

*"In making a decision as to when to invoke the curfew, the umpire shall rule that an inning or half-inning starts immediately after the third out of the preceding inning is made."*
