Real Time Scores On MSBL Website

By Tom Prendergast

Once again this year the World Series staff is going to use the software developed by the folks at **Scorebook.com** to provide real time game results as soon as they are called in to the office.

Like last year, as soon as the WS office gets the score it will be entered into the WS Scorebook.com database. Current divisional standings will automatically be calculated based on these new results. Not only will these results be available at the World Series office (located at Hohokam Stadium) but the results can also be found by logging onto the website at: **www.msblnational.com**.

So don't forget to call in your scores as soon as the game is over. In addition to the score, the WS office would really appreciate any outstanding individual highlights; multiple HR games, batters going 4 for 4, driving in 4 or more rbi's. Pitching stats are just as important; the winning pitcher, how many strike outs, who got the save, etc.

To all MSBL players and fans:

My name is Nick Sweeney (I'm an umpire) and yesterday I was scheduled to officiate two games at Autry # 2. Unfortunately because of some confusion between myself and my ride, (I left my equipment and shoes in the trunk) I was forced to work these games out of uniform. I have been working with the same five guys the past few weeks here at the MSBL World Series.

All six of us showed up at the field this morning and realized one of the crews was at the wrong field, so the one crew took off to get to Fitch Park for their game without realizing my uniforms and equipment was still in the car.

I am writing to apologize about being out of uniform. I am a minor league umpire and would never insult the game of baseball by dressing in the manner that I did. I apologize again and know that it will never happen in the future.

Near Normal Temperatures And Sunny Skies Greet WS Players In Week Three

MVP Promotions Offering A Special Sale On World Series Merchandise

By Tom Prendergast

Last week the players participating in the 2005 MSBL World Series experienced warmer than normal temperatures. A year ago the Valley of the Sun was pretty chilly once the sun went down. What a difference a year makes, again. This week it appears that the day time temperatures will be in the 80's and 90's, without a cloud in sight. Ideal baseball weather.

Due to a major renovation project at the Tempe Diablo Complex, the MSBL WS office is located at Hohokam Stadium. MVP Promotions (the company responsible for selling WS logo souvenirs) have set up a tent at Fitch Park and will be open whenever games are being played. So on most days they will be there from 9:00a til 6:00p.

Also managers need to remember that if their team is losing and they decide to stop playing before the official end of the game, ten (10) additional runs will be added to their total runs allowed for each inning that they don't complete. No game is over until nine innings have been played or the time limit has expired. In the event the home team is ahead and the time limit expires during their at-bat, the game is not over until they have finished batting and recorded three outs. All games scores need to be called in by both teams.
