MSBL National Hall Of Fame Adds Two New Members This Saturday

Plus 3 More Into World Series Hall of Fame By Tom Prendergast

MSBL National President Steve Sigler has selected four new MSBL / MABL members for induction into the National Hall of Fame. Roger Stanley (DC Metro), Skip Bradley (San Antonio), Jim Tanner (Terre Haute) and Joe Banasik (Houston). Last week, Tanner and Banasik received their awards at the WS banquet. This Saturday Roger Stanley and Skip Bradley will accept their awards.

For the past 16 years, Roger Stanley and his partner Larry Lombardi have directed one of the top MSBL and MABL Leagues in the country. With 91 teams, they oversee one of the largest leagues in the nation. Hard work, long hours and good people have been the secret to their great success. Roger first joined the league as a player and then became a manager and later the next year a director. With a flair for writing software, Roger came up with a patented software program made exclusively for the DC MSBL / MABL. This allows them to maintain a database of over 1500 players, schedule all their games and keep track of payments and league statistics.

Known as a by-the-book task master, Skip Bradley runs a tight ship in San Antonio. Since 1994 he has presided over a league that started with 6 teams and now has 36. The league is incredibly organized and well run. One of Skip's many qualities is his attention to detail. Since Skip took over the helm in San Antonio, their league has been incredibly active in participating in regional and national tournaments. Since 1994 they have sent 103 teams to the WS, 8 to the Fall Classic, 4 to the Holiday Classic in Disney World and 1 to the Las Vegas Open.

In addition to those members, the World Series Hall of Fame will increase by three on Saturday night. They include longtime MSBL player Ken Jaffe (Hollywood Stars) Wil Gorman, Tempe (continued on page 2)

Final Day Of Pool Play At The MSBL World Series

Teams Complete The Pool Play Round Today — **Playoffs Start Tomorrow** Wildcard Teams Likely To Be Determined By The Least Runs Allowed Category By Tom Prendergast

Boy talk about pressure. Several teams today are really playing in what amounts to a playoff game. Because if they don't win, they won't qualify for the playoff round which begins on Friday. The first tie-breaker in each division is head-to-head play. However, if your team is in a crossover division or all of the teams with the same record didn't get a chance to play each other then the determining tie-breaker is runs allowed category.

As teams begin the final day of pool play, it's a pretty safe bet that every teams has more than a few tired arms. But despite the tired legs and weary arms, players want to keep playing for as long as they can no matter what the pain or the odds. Several teams are going to end up with 4-2 records, so the determining factor for wildcard spots will be the least runs allowed.

The MSBL WS Awards Banquet will be held Saturday night at the Rustler's Rooste. KC Royals manager and former major leaguer Buddy Bell will be the guest speaker.

MSBL Adds New Members To HOF (continued from page 1)

Diablo Stadium coordinator and Hal Kaiser (MSBL umpire). Ken Jaffe has been a member of the Hollywood Stars and has been playing with the same core guys since 1972. Easily the longest running adult amateur baseball team playing in the MSBL. So it was only natural that Ken start his own MSBL league (LA MSBL) back in 1988. And he hasn't missed an MSBL World Series, ever.

Will Gorman has been in charge of the Tempe Diablo Complex for the past eight years and hasn't missed an MSBL / MABL World Series during that time. He really enjoys working with the WS staff and hosting as many games as he possibly can at the Tempe Complex. This year he will be overseeing the renovation at the Tempe Diablo Complex during the World Series.

Hal Kaiser has been a part of the MSBL and MABL World Series since 1990. He is without a doubt one of the most respected and requested umpires that we have in Arizona each year. His enthusiasm for the game is second only to his hard work and continued dedication to his profession. In 1998, Hal volunteered to go to work for the MSBL WS staff and he's become part of the family. Regardless of his title of umpire, field supervisor or team merchandise co-coordinator (that's a fancy title for bag packer), Hal remains one of the friendliest guys at the MSBL / MABL World Series each year. Congratulations to all of the new inductees this year.
