28+ Continental World Series Pool Play Concludes Today

MABL Divisions Include 18+ American, Federal, Central and Rawlings National Division
By Tom Prendergast

This afternoon the 28+ Continental pool play comes to an end. As of yesterday the top four teams in the division that have clinched a playoff spot are; the Atlanta Astros (4-1), the Valley Mets (3-1). Tucson Cardinals (2-2-1) and the Tri Valley Cardinals (2-2-1), good for five points. The Grand Rapids Kesters & Devries (3-2) team, the Oklahoma City Braves (2-3), the Stanislaus Indians (2-3) and the So California Brewers (2-3) each have four points going into today's game. Only six of these eight teams will advance to the next round.

Today the Oklahoma City Braves play the Tucson Cardinals, the Stanislaus Indians play the Atlanta Astros and the Southern California Brewers take on the Valley Mets. It's likely that the final playoff spot in this division could come down to least runs allowed.

The 28+ Continental playoffs will be played Thursday starting at 10:00a, at the newly refurbished Scottsdale Indian School fields. The third place team will play the 6th place team while the 5th place team will play the 4th place team. The winners of those games will play each other in the 28+ Continental Championship game on Friday. The top two finishers will meet in the 28+ National Championship series, (two-out-of three) to determine the winner.

Today the MABL teams start their World Series. Each team is scheduled to play five games in three days. The playoffs will be Saturday and the championship games will be played on Sunday. At noon today, the MABL managers will attend a special meeting held in the Tempe Diablo Stadium bleachers. Thursday the 28+ Wood division begins with each team playing double-headers both days. Saturday they start the (continued on page 2)
