Tri Valley Cardinals vs Atlanta Astros In 28+ Continental Final

MABL / 28+ / RNC Championship Game Scores "Live On The Website" This Sunday
By Tom Prendergast

The Valley Mets stunned the Atlanta Astros with an 11-7 victory in the 28+ National Championship game played yesterday afternoon. It was the second time this week that the Mets defeated the Astros. Valley Mets skipper Roger Clark won his first MSBL World Series title with the win. This morning the Atlanta Astros will play the Tri Valley Cardinals in the 28+ Continental Championship game (9:30a at Tempe Diablo Stadium). Tri Valley advanced to the game with an exciting 9-6 win over the Tucson Cardinals in the semi-final game. The Atlanta Astros become the first team to participate in two Championship games on back-to-back days in the MSBL World Series.

Today the MABL, RNC and 28+ Wood divisions complete their pool play games. On Saturday the playoffs get underway and Sunday the Championship games will be played exclusively at the Tempe Diablo Complex. Last year, the City of Tempe became one of the first major cities in the United States to offer "wi-fi" services within the city limits. So on Sunday, the MSBL / MABL World Series office will be updating the national website with real time scores, inning-by-inning.

Tonight at Tempe Diablo Stadium, every player participating in the tournament is invited to a bar-b-que, held in the left field mezzanine. Additional tickets can be purchased for \$9.

MSBL Travel.com - Save Time And Money!

By Max Utsler

If you spent countless hours planning your travel for this year's MSBL World Series, you can spend that time next year taking extra batting practice. Rich Rosenblum of Premier Travel in Long Island, NY operates the MSBL Travel web site, **www.msbltravel.com** designed to streamline planning for all MSBL and MABL tournament trips. If you remember those reams of travel information you used to get when you signed up for a tourney, you will really appreciate this easy-to-navigate site. If you can't find out your information on the web site give Rich and his staff a call on their toll-free customer service number at (800) 645-3350.

World Series Game Scores On The MSBL / MABL Website

By Tom Prendergast

Once again this year the World Series staff is going to use the software developed by the folks at **Scorebook.com** to provide real time game results as soon as they are called in to the office.

This year, as soon as the WS office gets the score it will be entered into the WS Scorebook.com database. Current divisional standings will automatically be calculated based on these new results. Not only will these results be available at the World Series office (located at Tempe Diablo Stadium) and in the Novelty Store, behind the 1st base dugout on the Mezzanine level. The results can also be found by logging onto the national MSBL website at: **www.msblnational.com**.

So don't forget to call in your scores as soon as the game is over. In addition to the score, the WS office would really appreciate any outstanding individual highlights; multiple HR games, batters going 4 for 4, driving in 4 or more rbi's. Pitching stats are just as important; the winning pitcher, how many strike outs, who got the save, etc.
