TUESDAY OCTOBER 31st, 2006

**Happy
Halloween
from the
World Series
MSBL Staff**

Wristbands that support a cause are everywhere these days -- they are about making a statement rather than wearing an accessory.

The Prostate Cancer Foundation blue wristband is an easy and popular way to show awareness of

prostate cancer and support of prostate cancer research. These wristbands (which are free of charge and available at the World Series Office) read "I'm helping cure Prostate Cancer" and include the PCF website address, www.prostatecancerfoundation.org.

Second Player Expelled From The WS For Misconduct At Papago Complex

By Tom Prendergast

Two years ago, the city of Phoenix spent five million dollars renovating the Oakland A's spring training facility, the Phoenix Municipal Stadium and the auxiliary fields at the Papago Sports Complex. Director James Vujs made it clear to the WS staff at that time that any player misconduct would result in the MSBL / MABL tournament losing the opportunity to play games at one or both of the facilities.

Last year the WS staff hired two-full time retired police officers to be on hand before, during and after all games played at both of the facilities. This year each manager was given written information regarding the consequences of any player or players that were caught urinating anywhere but in the restrooms at either complex.

Yesterday afternoon, an MSBL player from the USP Black Sox became the 2nd player expelled from this year's tournament for urinating next to the dugout and not in the (continued on page 2)

Great Weather Continues As Week Three Of The MSBL Gets Underway Runs Allowed Category More Than Likely A Factor In Determining Playoff Teams

By Tom Prendergast

Yesterday was another made to order day right out of the Greater Phoenix Convention and Visitors bureau brochure. Low 80's, blue sky and a slight breeze, really made for ideal playing conditions. In fact it was so good that it seemed to bring out the best in most teams of offense. Football like scores were recorded on day one, which will undoubtedly come into to play as we get closer to Thursday and the runs allowed category becomes something that a few teams will need to rely on to advance into the playoff round.

On Sunday night at the managers meeting, Dave Peron (Prostate Foundation) spoke to the group and thanked Steve Sigler and all of the MSBL and MABL leagues across the country for their involvement in helping raise money for a great cause. Peron said that during their partnership with the MSBL / MABL over \$330,000 had been collected from our players. He wanted to personally thank the MSBL for their past and continued support.

Through The Years At The MSBL / MABL World Series In Arizona

1998 — The World Series staff undergoes a major change for the first time since the WS tournament began in 1988. Tom Prendergast replaced Kurt Knop as the tournament director, Steve Rosenberg was named the assistant director and Lou Myers became the Umpire In Chief of the World Series.

Second Player Expelled From The WS Tournament (from page 1)
restroom. The following paragraph appeared in the MSBL Managers Meeting
Daily News, that was handed out to all team managers on Sunday evening;
*"In the past we've had some issues with players urinating in and around the
field or dugouts. Needless to say any player or players who are caught uri-
nating anywhere but the restrooms will be expelled from the tournament."*

In accordance with the terms and conditions of the contract that the MSBL
National office has with the City of Phoenix, failure to abide by these rules
could result in all future MSBL WS games being cancelled.

The MSBL/MABL National office has enjoyed a very good working rela-
tionship with the local field coordinators for the past 19 years and has every
intention of upholding the rules and regulations that are stated in the contract.

Therefore players who continue to ignore the rules and regulations that the
tournament has posted will not be allowed to participate!
