45+ National Playoff Schedule Revised To Include 7 Teams Instead Of 6

By Tom Prendergast

During the managers meeting Sunday evening, MSBL President Steve Sigler mentioned the possibility that there might be a change in the 45+ National playoffs, depending upon the outcome of a couple of the 45+ Mountain games on Monday.

Based on the success of a first time team in the 45+ Mountain division, the Jagermeister Warriors will advance to the 45+ National playoffs on Friday. Monday they won their first game 24-7 and then won the second game 16-3.

While the desired solution would be to redo the schedules and move them into the National division pool play round, the logistics of doing that would disrupt all of the other teams schedules in both the National and Mountain divisions. Having said that, the Jagermeister Warriors spot in the National playoffs will be based on their record in the Mountain division. If they finish 6-0 they will be the 4th place seed, if they finish 5-1 they will be the 5th place seed and if they finish 4-2 or below they will be the 7th seed in the National playoffs.

The National playoffs will expand from 6 teams to 7 teams. Instead of the first two teams receiving a bye, only the division winner will bye into the second round.

Game 1 7th place vs 2nd place

Game 2 6th place vs 3rd place

Game 3 5th place vs 4th place

Game 4 (Game 1 winner vs Game 2 winner)

Game 5 (Game 3 winner vs Division winner)

The 45+ National Championship Game will be played at 9:30a Saturday - Tempe Diablo Std.

WS Cracks Down On Teams Drinking In Parking Lots!

35+ Mountain division Terre Haute Cubs pitcher **Lance Byrd** delivers a pitch to the plate during his teams opening game 8-1 win over the Twin City Twins at Tempe Diablo Stadium.

Two More Incidents Involving MSBL WS Teams Create More Problems \$500 Fine And Or Complete Team Suspension From Tournament Possible Penalties

By Tom Prendergast

The rules and regulations regarding drinking before, during and after all MSBL / MABL games are quite clear — it's not allowed. During the first two weeks several teams have been caught in the parking lot drinking beer after WS Tournament games. Complex supervisors have been quick to report this action to the tournament staff as well as the local police. As of today, the National MSBL / MABL office has issued the following directive regarding this issue.

NEW MSBL / MABL WORLD SERIES NON-DRINKING POLICY

Due to certain infractions at all facilities, the MSBL / MABL World Series Office is now forced to mandate the following rule: Any team caught drinking alcoholic beverages in any of the complexes or facilities that we use, including the parking lot, will face a \$500 fine and or suspension or expulsion from the tournament.

Despite manager meeting advisements regarding this matter, several teams including the Taos Solar Sox and San Antonio Red Sox have chosen to ignore these rules and regulations. In the future beginning today, players and teams will be held accountable for their actions. The WS office has been put on notice by both the Papago and Maryvale Complex managers that any more incidents of this nature could severely hinder the ability to play tournament games on their fields in the future. It would be a great injustice to the majority of the players who participate in this event each year if the actions of a few would lead to a ban on some of the areas best fields. So please be aware of this policy and do not drink alcohol after games.
