Good Pitching And Timely Hitting Helps Make A Manager's Job Easier

By Tom Prendergast

Hall of Fame Manager Casey Stengel used to say that, if you gave him the best pitchers and the best hitters, he wins 85% of the time. If his team was participating in this years MSBL World Series, he'd be right! For the past two days dominant pitching performances have been the norm rather than the exception. While the hitters have been swinging some pretty hot bats which has resulted in some football like scores. When you beat a team by three touchdowns, and your not trying it's not that hard to fill out the line up card. Runs allowed remains a tie breaking category, so some teams will be looking for all the runs they can score in the next two days. Most every team plays a double header today and a single game on Thursday. The playoff round gets underway on Friday.

The MABL teams begin play today, with each team playing a single game, followed by double headers on Thursday and Friday. On Thursday the 25+ Wood Bat teams arrive and the playoffs begin on Saturday. This Friday evening all of the participants are invited to attend the MSBL / MABL Welcome Bar-B-Que, held at Tempe Diablo Stadium.

Introduction to Prostate Cancer Kit

Being diagnosed with prostate cancer can be a life-altering experience. It requires making some very difficult decisions about treatments that can affect not only the life of the man diagnosed, but also the lives of his family members in significant ways for many years to come.

To help men and women know where to begin, the Prostate Cancer Foundation created an Introduction to Prostate Cancer Kit, which features Conversation Tips, a series of pointers and questions that can be used to start a conversation about prostate cancer. In addition, the Kit includes the *An Introduction to Prostate Cancer* guide, a list of FAQs About Prostate Cancer, and other materials designed to help both men and women learn about prostate cancer.
