Week 1 Concludes On A High Note As Week 2 Gets Underway On A Busy Sunday
By Tom Prendergast

In the past, Sunday's were day of preparation and practice for teams participating in the MSBL and MABL World Series. A kind of a laid back, get acclimated day for players and teams who would begin pool play on Monday. Well those days appear to be over. Yesterday was one of the busiest days we've ever had at the Phoenix tournament. Five championship games in the morning at the Tempe Diablo Complex, 35+ / 45+ WB division pool play games and 25+ Federal / Central and 65+ teams practicing. In addition to that it was merchandise pick up day upstairs at Tempe Diablo Stadium office. At 5:30p yesterday evening, president and founder Steve Sigler hosted yet another manager meeting.

Several players succumbed to heat exhaustion due to the extreme temperatures over at the Maryvale Sports Complex and the paramedics were called to provide first aid. Only one of these players was admitted to the hospital, 35+ WB Central KC Knights player, John Parker who was resting comfortably after a few scary moments when he passed out on the field. Fortunately for John, several off-duty medical personnel were on the scene yesterday and provided aid until the paramedics arrived. Dr. Miller (of Maryvale Memorial Hospital) recommended that all players participating in the tournament the next few days should drink plenty of fluids both before and during the games. He suggested that because of the so-called Arizona dry heat, that sometimes visitors don't really grasp the extreme heat until it's too late.
