Heat Advisory Warning

All players should drink plenty of fluids as the temperature is expected to be in the upper 90's this afternoon in Phoenix.

Player Expelled From The Tournament For Misconduct At Phoenix Municipal

By Tom Prendergast

Four years ago, the city of Phoenix spent five million dollars renovating the Oakland A's spring training complex and Phoenix Municipal Stadium in addition to all of the auxiliary fields at the Papago Complex. Director James Vujs made it clear to the WS staff at that time that any player caught in violation of the rules would result in the MSBL / MABL tournament permanently losing the opportunity to play games at one or both of their facilities.

This year the WS staff hired two-full time retired police officers to be on hand before, during and after all games played at both of the facilities. During each manager meeting this year all teams were given specific instructions regarding the consequences of any player or players that were caught urinating anywhere but in the restrooms at either of the Papago or Maryvale facilities.

Yesterday afternoon a player from the 35+ WB Inland Angels became the first player expelled from this year's tournament after he was caught urinating outside the dugout at Phoenix Municipal Stadium. The following paragraph appeared in *(continued on page 2)*

Central Division Participation Rule Still Causing Some Confusion With Teams

By Tom Prendergast

It's easy to understand why the greater Phoenix metropolitan area is called the "Valley of the Sun", after a day like yesterday. Both the weather and the competition on the ball field was terrific. And thankfully, no players went down with heat exhaustion on Monday.

Once again this year the MSBL / MABL World Series staff is going to use the software developed by **Scorebook.com** to provide real time game results as soon as they are called in to the office. This means that as the WS office gets the score it will be entered into the Scorebook.com database. Current divisional standings will automatically be calculated based on these new results. So don't forget to call in your scores as soon as the game is over.

If your team is competing in one of the Central Divisions there are a few things to keep in mind during the game. While the rules state that each team must bat a minimum of 15 players if one team only has 12, then the other team has the option to bat 12 as well, without penalty. The batting out of turn infraction is not a protest able violation that would result in a game result being overturned by the WS office. A batting out of turn resolution must be brought to the attention of the home plate umpire before the first pitch to the next batter.

MSBL Player Expelled From The Tournament (from page 1)
the WS Managers Meeting Daily News, that was handed out to all team managers in attendance at the meeting; "In the past we've had some issues with players urinating in and around the field or dugouts. Needless to say any player or players who are caught urinating anywhere but the restrooms will be expelled from the tournament."

In accordance with the terms and conditions of the contract that the MSBL National office has with the City of Phoenix, failure to abide by these rules could result in all future MSBL WS games being cancelled. The MSBL / MABL National office has enjoyed a very good working relationship with the local field coordinators for the past 21 years and has every intention of upholding the rules and regulations that are stated in the contract.
