MSBL / MABL World Series Remembers Hall Of Fame Umpire - Hal Kaiser

By Tom Prendergast

On June 21st, of this year longtime MSBL / MABL World Series umpire Hal Kaiser died after a lingering battle with Cardiovascular Obstructive Pulmonary Disease. He was 64 years of age and during last years WS both his health and strength were noticeably on the decline. Despite that, Hal insisted on keeping up the duties that he had done for the past 20 years of this event. By day he was an on field official, by night a WS office staff member.

In 1999 Hal received the umpire of the year award at the MSBL World Series banquet, in recognition of his dedication and exceptional qualities as an official. Six years later, Steve Sigler selected Hal for induction into the MSBL World Series Hall of Fame. Hal is the first and only WS MSBL / MABL umpire to receive this honor. He will be missed by all of us who were lucky enough to know him. Note: A trust fund has been set up for Hal's grandson, Ricky. To contribute, make your checks payable to Account # 940988593.

Phoenix Area Tops Mark Of Consecutive Days With Temperatures In The 90's With 20! By Tom Prendergast

According to the Weather Channel, the greater metropolitan Phoenix area is experiencing temperatures on average about ten degrees warmer for this time of year. Usually by the middle of October the day time temperatures average between 75 - 80 degrees. So for this year the Valley of the Sun has experienced a record number of 90+ degree days, with very little rainfall. Almost perfect weather for the MSBL / MABL World Series tournament.

On the field, eight separate divisions started pool play games with the playoffs scheduled for Friday and the championships on Saturday. Currently in the 35+ Aluminum division we have 11 teams. Later today a decision is expected on separating these teams into two divisions, a Continental and Mountain. If this happens then a revised playoff schedule will be posted with fields and times for playoff games on Friday.

As we move into day two of the pool play round, it's probably important to remember a few key tie-breakers for determining which teams advance in the playoffs. Head-to-head is the first tie-breaker while runs allowed is the next category. In divisions with the possibility of a wildcard teams the first tie-breaker of head-to-head play is not an option (since teams in the other division don't play each other) so the runs allowed category determines who advances. So it's important to remember to report your teams score right after the game and then check the Daily News or the website for accuracy the next day.
