Attention To All 45+ National Teams

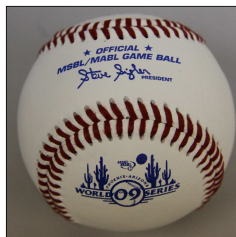

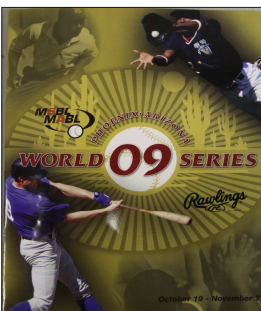

Due to the fact that each team in this division will only play 5 games instead of 6 pool play games, the requirements for each player during this round will be one appearance in one game, not two for a player to qualify for the playoffs.

Every team receives a case of Arrowhead Mountain Spring Water with their team bag.

2009 MSBL / MABL WS player's receive a patch, program and a pair of logo shorts.

WS Friends And Foes Alike Continue To Return Year After Year

Revised Central Division Participation Rule Important To Remember For Batting Order
By Tom Prendergast

The weather in Phoenix this year has certainly been unpredictable. Yesterday's temperature reached 93 degrees and it will probably be close to that again today. However starting mid-week cooler than normal temperatures are expected to return to the Valley. So it's probably a good idea to visit Tempe Diablo Stadium and purchase a sweatshirt or light jacket.

For the past 22 years, several teams and players have been returning to the MSBL / MABL World Series in Phoenix for a variety of reasons. Good competition, great weather, top notch major league fields and to see old friends. Once their regular season ends, many players from around the country get excited about participating in another MSBL WS tournament. In fact it's safe to say this has become an event that players look forward to for the entire year.

If your team is competing in one of the Central Divisions there are a few things to keep in mind during the game. While the rules state that each team must bat a minimum of 14 players if one team only has 12, then the other team has the option to bat 12 as well, without penalty. And don't forget that the runs allowed category is a major tie-breaker for the wildcard spot.
