**MSBL / MABL WS Spotlight on****Steve Faigin (Chicago MSBL)**

Some players enjoy a couple of years renewing hardball skills. Then there are career guys. Steve Faigin began playing MSBL when it started in Chicago in 1988. For twelve years now he has managed a World Series team, still seeking a championship but loving every trip to the Arizona sunshine. This year his Chicago Grays compete in the 60+ wood bat central. The CFO of an Illinois engineering company, Steve is married to wife Ellen and enjoys four grown children, Hayden (36), Seth (36), Amanda (33), and Myles (32). Steve's financial skills are applied to the Chicago North MSBL where he serves as the league treasurer. Inducted into the World Series Hall of Fame in 2007, Steve has all the qualities of an excellent teammate, respected manager, and leader of a well established MSBL league. If baseball is being played in October, you can find Steve Faigin in Arizona.
