MSBL / MABL World Series Spotlight on
Joel Weinstein (NE Red Sox)

Like many MSBL players, Joel discovered men's baseball while coaching a local PONY League team when someone told him that

people his age now had an opportunity to play hardball as well. He joined the NorCal Old Timers League (Monterey) in 1994 and has been addicted ever since. Now managing in his eleventh year, he leads the New England Red Sox in both 60+ and 65+ divisions. Joel and his wife Bonni share a love of the game and are always thrilled to discover the unique situations that only baseball can produce. His favorite World Series memory reflects how MSBL games are "never over 'till they're over." Playing with the NorCal team at Maryvale, his team trailed the entire game until the bottom of the ninth, which began with an 18-2 deficit. Their famous rally brought them a 23-22 victory, a game none of the participants will ever forget.
