9:30a Tempe Diablo Stadium

### 50+ American Division

Dallas Rangers vs Team New Era  
1:30p Phoenix Municipal Stadium

MSBL / MABL World Series Spotlight on

### Lou Gordon

(50+ Chicago North Cubs)

Lou's been attending the MSBL / MABL World Series since 1992, 22 consecutive years. He's managed the Chicago North Cubs for the past 15 years, with four final four finishes in six years and three appearances in the championship game. In addition to that his team has played in countless regional tournaments in Chicago, Atlanta, Kansas City and Las Vegas. Coincidentally that's where Lou and his wife Michelle were married, during the 2003 Memorial Day Tournament. Lou's oldest son, Howie has played with him on his father & son team while his oldest daughter Ashley was on the Varsity Soccer team at the University of Illinois. His youngest daughter, Nataly turns six this month and is just starting kindergarten.

Growing up as a young baseball fan in Chicago, Lou idolized Cubs short stop, Louie Aparicio. He spent his summers at the Mickey Owen Baseball School and learned how to play the game from him. Baseball has been a big part of his life for as long as he can remember. During his MSBL career, Lou's credits the league for countless friendships that he's developed over the years. He's also deeply humbled to be inducted into the MSBL / MABL Hall of Fame and it's an award that Lou says he will cherish for the rest of his life.

## First Championship Games Played Today for 2 Divisions

25+ American Division Long Island Sundevils batter, **EJ McVetty** lifts this ball into right field for an rbi during his teams 12-3 win over Denver Kokopellies yesterday morning.

### MSBL / MABL Welcome Bar B Que At Tempe Diablo Stadium Tonight

25+ / 70+ Division Pool Play Games Wrap Up Today - 55+ Teams Start Saturday  
By Tom Prendergast

The first four championship games of the 2013 MSBL / MABL World Series take place today, 47+ National, 50+ American, 50+ Central and 50+ Cactus. Two other divisions wrap up their pool play games, 25+ and 70+. Week 1 of the tournament has been very competitive and the runs allowed column continues to play a huge factor in playoff seeding. Regrettably our new online software scorekeeping technology doesn't include a runs allowed total at a glance for divisional standings. You can see runs scored and runs allowed for each team if you click on the standings page and go to the teams individual schedules. This feature will be added for future MSBL and MABL regional tournaments in 2014. For now however it's extremely important to keep track of your teams runs allowed which are posted each day.

Our welcome bar b que will be held tonight at Tempe Diablo Stadium from 5:00p to 9:00p. All players are invited and should have a ticket to the event. Team mangers received all of the tickets at registration.
