Today Marks The First 75+ Age Group At The MSBL / MABL WS
Sacramento Solons Manager Tina Haas - 1st Woman Inducted Into the WS HOF
By Tom Prendergast

After 26 years of tournament play in Arizona, who would have imagined that we would have two "first Time" occurrences during this years World Series. Starting today two teams of 75+ players will be taking the field, in the oldest age group we've ever hosted. Team East will take on Team West in a 5 game series, with one game played per day. During this weeks inaugural event, the rosters will be open for any player who turns 75+ by December 31st. If your available please try and attend one of the games (schedule listed on page 2).

Yesterday in a pre game ceremony at Tempe Diablo Stadium, Tina Haas was inducted into the MSBL World Series Hall of Fame, with a presentation by National President Steve Sigler. Steve pointed out that over the years, Tina has been a guiding force in the on field success that her teams from Sacramento have had at the World Series. Her steady hand and behind the scenes work has helped her teams flourish, year after year with several championship trophies. In addition to that, she also becomes the 1st woman inducted into the Hall of Fame.
