As the 26th Annual World Series Trade Show gets underway, I wanted to take a moment to remind all the players and families of the upcoming BBQ this evening and Sunday.

Both nights the Trade Show will feature the magic of "Famous Ramos", master of close up magic. In addition to roving the concourse and performing, Thursdays BBQ will be highlighted by a 7:30pm performance by Ramos. Sundays BBQ will feature another Magic Show and an on field Target hitting competition, "The Battle of the Bats"; with \$100 first prize and bragging rights going to the Champions. Consult your favorite bat company for details to enter the competition. Stay informed about the Trade Show and all the WS happenings via the newsletter. Vic

The "Big Top" Opens Tonight With The Welcome Bar B Que

Magician Famous Ramos Probably Has The Fastest Hands At The Ball Park By Tom Prendergast

The ever popular World Series Trade Show is back in business starting today at Tempe Diablo Stadium. There's always plenty of great bargains and new products to try out. New this year is the Big Top White Circus Tent that will be the center piece of the show, with several high definition TV's showing the MLB World Series. In addition to that, this this year Famous Ramos the magician will dazzle and delight with unbelievable slight of the hand card tricks. Tonight from 5:00p to 9:00p all players are invited to attend the welcome bar b que, which has been a tradition at the MSBL World Series going back 26 years. On Sunday night a different kind of competition will be held on the stadium field, called "Battle of the Bats". Each of the bat companies participating in the Trade Show will have a designated hitter using their product in a target hitting competition. It's certainly a unique event and one that should be very entertaining. In addition to that this years raffle will include bats and gloves which any player can register for on the league website at: www.msblnational.com.
