Final Day Of Games Include 11 Championships And 2 Semi-Finals

Spectacular Weather Is An Extra Added Bonus For Week 3 Players

By Tom Prendergast

Win, lose or draw I think most players would agree that their time this week was well spent and with peers who still enjoy playing the game of baseball. Life in the fast lane for most guys now days includes meetings, appointments, monthly quotas along with a busy family life. Having the opportunity to participate in the MSBL / MABL WS is like stepping into the holo deck (on the Starship Enterprise) for an incredibly fulfilling diversion that reenergizes the mind and body. Without sounding too much like a Master Card commercial, getting to see old friends, spending time with your buddies and competing against guys from around the country, well that's just priceless! And certainly there's no better way to finish the week than by ending on a positive (and winning) note. For guys who play team sports, almost nothing compares to winning a championship. Today 11 teams will have the thrill of a lifetime.
