However until that number is working again, please use one of the other WS office phone lines to call in your games scores or to get information.

28th MSBL / MABL World Series Gets Underway With 50+ / 70+ Teams

Afternoon Thunderstorm Inundate The Valley of the Sun With Torrential Rains!

By Tom Prendergast

Our 28th year of MSBL / MABL World Series tournament play began yesterday morning on a picture perfect day. Unfortunately it didn't stay that way. Afternoon showers played havoc with games at Maryvale, Goodyear and Papago. In fact at one point, it was raining so hard you couldn't see the outfield in Maryvale Stadium. MSBL WS staffer, Red Thompson (the mayor of Maryvale), said he was standing in the press box and literally could not see second base. "It was as if the entire infield was underwater", he said. Several players who were on Interstate 10 had to pull over because of limited visibility and ended up taking side streets after an accident closed the highway for a time. But as it turned out it just didn't matter because of the amount of rainfall was more than the fields could take. Even the fields at the Tempe Diablo Complex finally had to pull the plug after (continued on page 2)

Special 70+ Division Rules for 2015 WS

In an attempt to keep this division competitive and consistent, MSBL National has instituted the following rules for all 2015 WS games.

- 1) No stealing
- 2) Three (3) courtesy runners
- 3) One 9 inning game per day
- 4) 5 games in 5 days
- 5) For any hit that reaches the outfield grass, the batter cannot be thrown out at first.
- 6) If a pitcher fails to go into the stretch position (with runners on base) and pitches with a full wind up, the base runner is allowed to steal or advance to the next base.
- 7) With a 3-2 count on the batter and 2 outs, all forced runners can break on the delivery by the pitcher.
- 8) If a wild pitch / passed ball goes out of the designated home plate circle, runners can advance (including to home plate) one base only without the catcher chasing the ball.

All of the remaining rules are MSBL and MLB as stated in the WS tournament rules.

Torrential Rains Interrupt Sunday

MSBL WS Games (continued from page 1)
a 1 - 2 punch of severe lightning and buckets of rain. The Phoenix weather has been unusual for this time of year the past week. On Sunday night a flash flood warning was issued for the greater metropolitan area and some roads were closed. Extreme heat, rain and dust storms have played havoc with the normal weather pattern of terrific weather. According to the guys at the Weather Channel after this last front moves out, more normal conditions should return.
