45+ / 60+ Teams Begin World Series Playoff Games This Morning

25+ Teams Looking To Advance To The Next Round Face Must Win Games Today

By Tom Prendergast

When games began on Monday, every team was full of optimism and hope. Today that feeling has been replaced by sore muscles, aches and pains and not enough pitching to go around. So for every guy playing today these games are referred to as "character games". Chug down a couple of aspirins with a Red bull chaser and your manager will be penciling you in the lineup. Win or lose, a majority of players will be toasting their victory or lamenting their loss with a couple of cold brewskies in the hotel hot tub! But that's the life of the career professional who trades his suit and tie for a baseball uniform in the Valley of the Sun for a week to play ball. I'm pretty sure about 100% of the players here this week would agree that no matter the consequence to the body, it was worth it. Because when it comes right down to it guys love to compete and win ball games. And a championship ring, well that's the ultimate prize!
