Skip Riser - MSBL National Hall of Fame Inductee - 2018

By Steve Lamontia - Director of Communications

Skip Riser is the 73 year old league president of the Ohio MSBL who lives in Canton Ohio, smack in the middle of football country. To relate on a more baseball-oriented topic, the Canton community is also the home of New York Yankee legend Thurman Munson, who died tragically in 1979.

Skip founded the Ohio MSBL in 2008, along with current CEO Joe Sidor, and immediately took on all of the back-office and financial activities, including player registrations, all purchases and payments as well as all communications with Steve and Brian Sigler in the home office. For Skip's dedication this past decade, Steve Sigler is recognizing Skip and is awarding him with induction into the 2018 class of the MSBL National Hall of Fame.

Skip has grown this remarkable league to 26 teams in five divisions and is one of the premier leagues in the country. Skip retired from actively playing in 2017. "I was a pitcher and played for the 45-over OHIO Diamondbacks, the 55-over OHIO Classics, the Canton Sidewinders in the 55-over and the Canton Coyotes in the 60's. I miss being on the mound but I have plenty of baseball activities to keep me busy."

Married to Jane for 26 years, Skip's baseball roots began at Canton Lehman High School where he was roaming the outfield, graduating in 1963. "I was very fortunate to have Thurman Munson as a teammate from eighth grade Little League through High School."

Skip also has a long history playing in the MSBL World Series. "I have played throughout the years with the 60-over and the 65-over Ohio Classics. My personal highlight is winning the 2012 MSBL World Series in Arizona. That was special and something I'll never forget."

The OHIO MSBL is fortunate to play many of their games at Munson Field in Canton. Final thoughts? "I have to say "Thanks" to the many outstanding players and managers that I've played with or managed through the years. Way too many to single out! Senior Baseball (continued on page 2)

Official MSBL/MABL WS Scorebook Includes Tournament Rules Pointstreak Website Back Up And Running For Real Time Scores

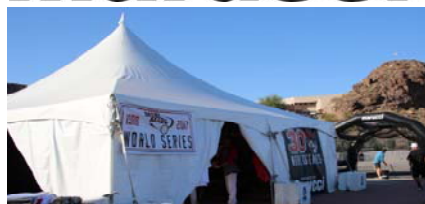

By Tom Prendergast

Midway through week one, most of the divisions races are "too close to call". And as always, the first tie-breaker after head-to-head play will be fewest runs allowed. So it's very important to verify that your teams scores are accurately posted on the website and secondly if they are not, then notify the WS staff and get your scores corrected, ASAP.

Another thing to keep in mind regarding the special rules that we use (which can be found in the official MSBL/MABL WS scorebook) that every manager received at check in. A quick look through these rules could be helpful in future games. Every manager has the ability to protest at any time, (this process includes a financial commitment) but a couple things are not on the list of protest able items. For example; batting out of turn. This must be brought to the umpires attention prior to the first pitch to the next batter (and then it could be an out). If this goes undetected then there's no penalty. The use of the wrong courtesy runner is also not a protest able situation. Inform the umpires and they will get the proper runner on base. If you suspect the other team of using an illegal player, that protest is made at the WS office.
