Bob Schiotis - MSBL National Hall of Fame Award Recipient

By Steve LaMontia, Director of Communications

Bob Schiotis is the president of the Fresno Men's Baseball League. After the league's four team inauguration in 1991 the Fresno MSBL has been built by Bob throughout the years to their current complexion of ten 18+ teams, five 30+ teams and eight in a 50+ division. Fresno is also very active at the MSBL World Series and other national tournaments, as Bob has headed up teams in Arizona and Las Vegas in 50+, 60+ and 65+ divisions throughout the years.

This year Bob will once again be a part of the solid 65+ Fresno Grizzlies entry in Arizona. Bob is a retired law enforcement professional whose passion is baseball and family and for his attention to duty and attention to detail MSBL Founder and President Steve Sigler has inducted Bob into the 2018 class of the MSBL National Hall of Fame. Below are Bob's comments on receiving this award.

"I am greatly honored and thrilled. It has been my pleasure and enjoyment with my participation in the men's baseball league, so I find it hard to believe I am being recognized."

The real honor should go to my wife Janet. She is the one that has made the sacrifices while I am doing what I enjoy doing. She has supported me 100% with time and energy as I became an FMBL board member and now president. She has always given me positive encouragement and advice when I know she preferred me to be home instead of managing local and tournament teams that took me out of town. I would like to thank Steve Sigler for all he has done for armature baseball and it is because of him I am blessed with many lasting friendships made while playing in men's baseball.
