35+ / 70+ Championship Games On Tap Today

50+ National Division Champions - The OC Sox

50+ National Championship Game - OC Sox 9 - Boston Wolfpack 5

The OC Sox saved their best for last as they defeated the undefeated division champs the Boston Wolfpack, 9-5. The Sox jumped out to a big lead early 7-0 and never looked back.

50+ Central Championship Game - Raleigh Braves 11 - Sacramento Bombers 8

The Raleigh Braves, who finished third in the division defeated the Sacramento Bombers in the 50+ Central Championship game 11-8 on Friday afternoon at Tempe Diablo Stadium. The win was especially meaningful for one of the Raleigh Braves, Sam Romeo. Sadly his 17 year old daughter, Lauren passed away unexpectedly in January after a very brief illness. During this tournament, Sam wore the #17 and dedicated the tournament to his daughter.

Photo right - Sam Romeo (holding the championship trophy, with manager, Dave Halley)

50+ Cactus Championship - Diamond Dream Mustangs 8 - Utah Braves 7

The Diamond Dream Mustangs completed their week with an exciting 8-7 come from behind win over the Utah Braves in the 50+ Cactus championship game at Salt River Stadium yesterday afternoon.

50+ Cactus Consolation Game - Peoria Pirates 7 - Vegas Knights 3

The Peoria Pirates scored early and often on Friday afternoon at Fitch to beat the Vegas Knights 7-3 in the Cactus Consolation championship game.

Note: Hardball on line will be featuring more complete game summaries later in the week.

MSBL WS Tournament Director Tests Negative for the Covid-19 By Tom Prendergast

Yesterday afternoon I visited the Phoenix Anti Aging Clinic, located at 11011 S 48th Street (about 10 minutes south of Tempe Diablo). Doctors from the clinic set up a booth at the stadium on Saturday and so I made an appointment for an IV vitamin drip. IV therapy delivers vitamins and minerals directly to the bloodstream, bypassing the gastrointestinal system where many nutrients (continued on page 2)

MSBL WS Tournament Director Tests Negative for the Covid-19 Virus

(continued from page 1)

are destroyed or aren't adequately absorbed. This therapy consists of intravenous administration using injections or IV drips to ensure the nutrients enter the bloodstream whole, without being adulterated by the digestive system or other biological processes. During last years tournament I experienced some dehydration problems and so this year I have been receiving weekly IV's to help me retain the necessary fluids.

While I was there, I asked about the rapid Covid-19 test and Dr Stein told me they had a couple kits left. This test was done using a small amount of blood (that was taken from the tip of my finger) and way less intrusive and painful than the nose swab, which I had done a couple of times in Kansas City this summer. After 15 minutes, Dr Stein told me that the test showed no result for the presence of IgM/IgG covid antibodies. The test cost me \$100, but I felt it was money well spent. For an appointment call (480) 750-1566.
