2020 MSBL World Series Covid-19 Protocols requires all players and spectators wear a mask while attending tournament games.

Great Weather Returns To The Valley of the Sun!

2013 MSBL National Hall of Fame Inductee and WS Participant Jim Tygrett-DeNuzzi still at it in 2020.

By Steve LaMontia,

Director of Communications

Sacramento MSBL member Jim Tygrett-DeNuzzi served a three-year term as league president from 2009-2012, and at the urging of league brothers, returned to that post in 2013, when his successor stepped down, and remained in a second term thru 2014.

That's just one example of Jim's selflessness and is the main reason why he was inducted into the 2013 class of the MSBL National Hall of Fame. Aside from being a top administrator, Tygrett-DeNuzzi is a player who has also been to the MSBL World Series mountain top more than once with the Sacramento Silverbacks, Solons, Tribe, and Royals and was the team's World Series MVP in 2009. MSBL Founder and President Steve Sigler noted Jim's contribution this way: "Jim possesses every quality not only necessitated by an adult baseball league but for any company in need of highly organized, dedicated and experienced leaders." Since then Jim continues to attend the World Series and has picked up additional championships with the Sacramento Royals at the World Series and the Florida Fall Classic. He remains active in league and has been managing the Royals at the World Series the last two years along with teammate and friend Gary Stonebrook. Jim remains a part of the Sacramento MSBL as League Consultant to president and friend Alan Van Ness, serves as Hall of Fame Chairman, and plays in the league's 60+ Golden Division he created five years ago and was its initial division commissioner. The division has grown from four teams to six since then with a good possibility of two more teams in 2021.

This year Jim finally had the opportunity to coach his 9-year old grandson Rocco in Little League until the pandemic hit and it was shut down one week before opening day.

45+ and 60+ Central Teams Must Bat 14 During Pool Play Games Local Highway Construction Playing Havocs With Normal Drive Times

By Tom Prendergast

As the games begin for week 3, just a few reminders about the protocol for this weeks teams. During pool play games all 45+ and 60+ Central and Cactus teams need to get 14 players a plate appearance during scheduled nine inning games. Keep in mind the penalty for not doing this is a forfeit. So with the shared batter position option, this should be a no-brainer. Also team manager's must exchange complete rosters before the game begins and it needs to include, first and last names, jersey number and the players age. In addition all players must have a photo ID for every player, with them at the game. This way in case of any age related questions, the manager can refer to the players driver's license.

Construction Updates for this week - the Arizona Department of Transportation issued some travel warnings for the greater Phoenix metropolitan area for freeway closures. Avoid the 101 eastbound loop near I-17 as well as I-10 near Casa Grande. Also Interstate I-10 has a couple of lane closures through the downtown area in the west bound lanes.

The warm weather is returning this week so it's important to drink plenty of fluids and stay hydrated. Because of the dry and humid conditions, the body sometimes doesn't respond fast enough and before you know it, your cramping and feeling sick to your stomach. This year with everyone wearing a mask it is sometimes difficult to pick up the symptoms that a teammate might be showing. So play it safe and drink plenty of fluids!

Goodyear Sports Complex Field Information

"We were practicing three times a week, the kids were looking great, and then COVID pitched a shutout. Of course we were the Royals too."

"So, now I hack away at a golf ball, prepare for week three of the World Series, and will quit playing this year just like I have every year since I've started playing MSBL over 25 years ago."

A two-time cancer survivor, Jim remains actively involved with St. Jude's Children's Research Hospital. He also supports the Disabled American Veterans Organization (DAV.org) and is proud of his daughter Taryn for her years of service in the U.S. Army. "I've been lucky, blessed, and grateful. And to have played with so many quality men and teammates, developed so many friendships, and that includes those on opposing teams here at the **World Series**."
