#### Ron Saslow Returns to Mound after Horrible Car Crash One Year Ago

By Steve LaMontia, MSBL / MABL Director of Communications

Editor's note: Ron Saslow returned to the mound on Monday in the 50+ Cactus division while pitching for the Chicago Pinch Hitters. They defeated the Nationals

15-9 and Ron got the victory. This was an amazing comeback from 12 broken ribs and a ruptured spleen. Ron is frankly lucky to be alive. We published the following story on the MSBL website this past December. We thought you may be interested in reading one of the great comeback stories in MSBL World Series history.

Also, a video of Ron's comeback is in the Tuesday edition of the Marucci/APN Video 'Play of the Day' as part of the Daily News mailing as displayed the website and our Facebook and Twitter pages.

On October 28<sup>th</sup> 2020 while competing for the Houston Old Stars of the 55+ Cactus division at this year's MSBL World Series, hurler Ron Saslow threw an MSBL record 12 -inning complete game victory at Peoria Stadium as his Old Stars defeated the Utah Braves, 12-11. That was an amazing achievement and worthy of national recognition, as evidenced by a special plaque presented to Ron by Steve Sigler.

But 45 minutes later, events took a dramatic turn for the worse. While navigating a return trip to Tempe Diablo Stadium a truck jumped the median and crushed Ron's SUV. Ron suddenly began a fight for his life. "The plaque will be a fun reminder of the unusual accomplishment, but more importantly, an important reminder of how fast life can change," stated Saslow. "I went from two of my favorite weeks of the year to four weeks in hospitals going through multiple surgeries fighting for my life and then trying to have my body rebuilt! Literally 45 minutes from the last pitch of the game, to a truck jumping the median and crushing my SUV a few blocks from Tempe Diablo. As you can see from the enclosed pictures, Ron, founder and managing partner of Thirty

#### Incredibly Competitive Games Highlight The Action On Day Two Spectacular Weather Continues As Cooler Than Normal Temperatures Remain By Tom Prendergast

Baseball players of all ages are commonly known as, "The Boys of Summer". It's a fairly routine phrase and one that pretty much characterizes a typical MSBL player. And regardless of age, most guys want to win. So once you step over the white line, the competitive juices kick in and the desire to beat the other guys is there. Actually that never goes away. Since our league started play in 1988, we've always had some special playing rules to get more players into the game.

Offensively we allow teams an unlimited number of batters in the lineup. Defensively guys can play in the field without having to bat. Our courtesy runner rule allows for a batter with a nagging injury the opportunity to hit, but not run the bases. And of course there's the A/B batter and the Shared Batting position. All of these are in place to help the manager get as many players into the game as possible, while at the same time maintaining some managerial strategies. Most of these rules were implemented years ago for our 30+ and 40+ divisions.

So it just makes sense that we would have some special rules for our 70+ / 73+ and 75+ age divisions. At the top of that list is the - no stealing rule, but runners may still take a lead. How big a lead, well it doesn't say. And consider this; if a pitcher fails to go into a stretch position, with a runner on base and pitches with a full windup, it's OK for the base runner to steal. In addition, with a 3-2 count on the batter and 2 outs, all forced runners can break (take off) as the pitcher is delivering the ball to the plate. Needless to say, some of our most experienced ball players are in these divisions and they have become very adept at using these rules to their teams advantage. And there's certainly nothing wrong with that! Just win baby - win!
