Week 2 Games Coming To An End With 73+ And Father / Son Playoffs
MSBL World Series Looks Forward to A Milestone In 2022 - 35th Year In Arizona
By Tom Prendergast

The last two years have been difficult to say the least. Every aspect of our lives has been turned upside down while the whole world tries to combat the virus. Most, if not all of our local leagues have had issues they've had to resolve in order to play baseball games. Many of our players lost family members or close friends during this time, and due to restrictions the mourning process was limited family or in some cases, no memorial service at all. As we have welcomed back teams who missed last year because of the virus, several have lost key players who were regulars, whose death has left a hole in their lineup and their teammates with a heavy heart. One of these players played for the 50+ St Thomas Hurricanes. Manager Steve Parris, told us the team was wearing a memorial patch in honor of their departed friend

The Virgin Islands 73+ Hurricanes is wearing a patch in honor of Robert Bob O'Connor a member of the team that passed away from cancer in December 2020. Bob was a member of the team when it won a MSBL World Series Championship in the 50+ division in 2003. Bob continuously traveled and participated in this tournament on an annual basis. He will be sorely missed and thus the 2021 VI 73+ Hurricanes honors Bob with this patch. May his soul rest in peace.
