Moedritzer Family Plays Infield For the Seattle Mariners (at the same time)!

By Steve LaMontia,
Director of Communications

The Moedritzer infield: (L-R) Luke, Stefan, Mike, and Chris

Jerry Duris is the manager of the Seattle Mariners, who recently competed in the Father/Son Zona division of this year's MSBL World Series. The Mariners hail from, you guessed it, the Puget Sound Senior Baseball League located in and around Seattle. Jerry's son, Joey, is also a part of the team and was nice enough to share a very special moment with us that emerged from one of their recent games in the round-robin portion of their recent week. "My dad has put a Father and Son team together for the last 20 years, except last year due to covid," said the younger Duris. "We had a great group of guys this year and were fortunate enough to go 3-1 in the round robin. We lost our playoff game but it was great to be playing competitive ball on Saturday. I have been so blessed to make these memories of playing baseball with my dad. Thanks to MSBL for making all of this possible."

So what happened that made this trip so memorable? "Mike Moedritzer has played in the Puget Sound league for many years and he is a longtime participant at the **World Series**. Mike and his three sons, **Chris, Luke, and Stefan**, were all able to make it to the tournament this year. In our first game of the Father/Son round-robin portion against the (continued on page 2)

45+ / 60+ Division Games Stay Very Competitive!

45+ Cactus Division Puget Sound Twins pitcher, **Ryan Patrick** was an imposing presence yesterday afternoon in his teams game against the Utah Rockies at Tempe Diablo Stadium.

2022 MSBL World Series Dates Published - Mark Your Calendar Now!
Photo ID's Are Required And All Players Must Have One To Participate in Games
By Tom Prendergast

The first thing that most players do after they get home from Arizona, is mark the dates for next years tournament on their calendar. It's a lot like Spring Break when we were in college. And it's must see TV for men of a certain age. For many guys, attending this tournament is automatic. Plus there's no place our players would rather be than on the ball field, in Arizona in October and November. Check out the 2022 MSBL WS date breakdown on page 3.

Just a reminder that all players in this tournament need to have a valid government photo ID to participate. In addition, every MSBL WS manager has the opportunity to request to see any players photo ID at any time. Since we have age based divisions this just makes sense. Same for former professional players, who have their birthdates listed on the teams website that they played for. Word of caution on these guys. Years ago (before the internet) it was very common for teams to shave a few years off of their players ages. After their careers were over, nobody thought it was important to go back and list their correct birthdates. So in many instances the ages listed for former pro players are wrong - on purpose!

CENTRAL, CACTUS & DESERT Divisions - Minimum of one plate appearance per game for at least 14 dressed players. In regards to the playoffs, teams have an option of only batting 10 batters for all playoff round and will not need to get 14 players at least one plate appearance - except for 55+ / 60+ / 65+ / 70+ divisions.

**Moedritzer Family Plays Infield For the Seattle Mariners
(at the same time)! (continued from page 1)**

Utah Wildcats we had the opportunity to have an 'All-Moedritzer' infield. Mike was at first base, Stefan at second, Chris at short, and Luke holding down third. Each son had a ground ball hit to them in that first inning and each recorded a clean out. It was really amazing. I also want to mention that our team lost a longtime friend and teammate a few months back in **Bruce Morrison**. We think Bruce is up in heaven watching us play ball and helping amazing moments like this happen. **We miss you Bruce!**
