#### Donny DeCordova: Mr. MSBL World Series

By Steve LaMontia,

Director of Communications

73-year-old Donny DeCordova is either a glutton for punishment or a saint. The 2016 MSBL Man of the Year will be attending this year's MSBL World Series, as usual, and has assembled and coordinated nine teams for this year's competition. Yes, nine teams! Donny and his wife Shari pack up the van from their home about 50 miles north of San Francisco and hit the road. "We usually break up the 14-hour trip into

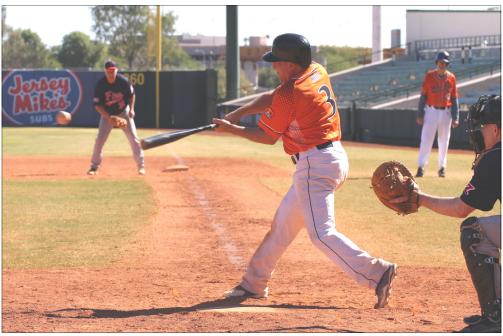

four or five hours increments and spend the night, explore the town we happen to stop in, and get some rest," said the California iron man. "We used to fly once in a while but with nine or ten teams worth of gear and uniforms, it's easier to just drive everything out there."

This year Donny's Cal Vets teams will be playing in the 50+, 60+, 65+, 70+, and 73+ divisions. He has calculated that he has taken over 125 teams throughout the years.

'I get stopped all the time by players who ask me how in the world I can possibly be on top of all those teams. I don't manage all of them. I have trusted friends that do a lot of on-field managing for me. I can't be two places at once! But I still do all the paperwork and money collecting and make sure everybody knows where they're going." Regarding Donny's 'saint' reference, I stay in close contact with him throughout the year because he is the poster child for utilizing the MSBL Player Pool entrants. This year he has estimated that he has helped over 50 players find teams to play on. "Meet of the guys in the pool went to be

"Most of the guys in the pool want to be part of a winning tradition and most of the teams want really good players and they want to win the ring. I totally get it. But that is not my main goal and I tell them that up front. I want to give them a place to play and have fun. The Cal Vets don't win a lot of rings, or a lot of games, but they're playing baseball in a beautiful location and on beautiful fields. Mission accomplished. When you sign up with one of my Cal Vets teams you (continued on page 2)

As Always - Runs Allowed Will Play An Important Factor In Seeding "The Difference Between Courtesy Runners and Shared Batters"
By Tom Prendergast

Since the MSBL began play, we've always had some special rules in place. Probably one of the best known is the Courtesy Runner rule. This allows every team the opportunity to run for a player who's having some mobility issues. The last batted out, is the courtesy runner. A few years ago, the MSBL added the A/B batter option and then the Shared Batter position, to help managers get more players into the game, while maintaining a competitive balance. So each manager is required to notify the opposing manager when players are being switched the first time in a game. This rule is not up for interpretation or debate. It's purpose is to enhance the managers ability to manage. The penalty for failing to inform the other manager is the same as a batting out of turn infraction. This requires due diligence on the part of the manager and to be aware of the other teams lineup and who's batting. The team must inform the umpire of the infraction before the next batter. After that, it's too late. This is not a protest able situation that will result in a game being overturned. It's a fixable situation - no harm - no foul.

Note - Crossover Games against National teams in the pool play round update.

During games in which an out of division team is scheduled to play a national team, they only have to bat 10 players.

(continued from page 1) will play all the time and it isn't about winning at all costs. You may not win a ring but you will play a lot of baseball. My players are like family and they always want to come back."

Donny started his MSBL career in 1990 in California and attended his first World Series in 1992. Donny is married to Shari, his bride of over 35 years, and is his biggest supporter and organizer.

"I would be lost with her help," explained Donny. "I have so much to keep track of but she understands my passion. She is actually the one who saw the MSBL ad in the paper in 1990 and encouraged me to go try out. I don't think she knew what she was getting herself into!" Any closing remarks?

"MSBL is like my family, the family I never had. I didn't have a family until I met Shari. No grandparents, aunts, or uncles. The friendships I've made all these years are invaluable and they have become my family. I can't walk anywhere without someone coming up to me and asking how things are going. It's like I get to see my family every year. I had to take this summer off from playing and managing in Tri-Valley because our first granddaughter was born. Now we have a new family member. We'll see how next summer plays out. I may want to just keep playing with my granddaughter."

### Ireland Buccaneers Win Their First WS Game Ever By Jon Carter

The UK & IRE Buccaneers are made up predominantly of players from the British Baseball Federation (BBF) & Baseball Ireland leagues. "The Bucs 40+ team played their first games (doubleheader) Monday in the MSBL / MABL National World Series Tournament vs the Dallas Redbirds. They lost a close contest 5 - 4. In game 2, the Bucs matched up against the Houston Cyclones. Dennis Grogan started for the Bucs & pitched a great game. The Bucs jumped out to a 5-1 lead before the Cyclones rallied to tie the game at 5-5. The Bucs responded with 4 unanswered runs and won their first MSBL WS game in Arizona.
