Pool Play Round Wraps Up For 25+ and 73+ Teams As Playoffs Start

MSBL National Office Accepted Several Teams From Florida at the 11th Hour

By Tom Prendergast

There's a lot of moving parts associated with hosting a 300+ team, adult baseball tournament. At the top of that list is the schedule. Planning for this tournament begins in January and the actual schedule takes months to prepare and finalize. So when the Hurricane Ian hit Florida last month, it devastated Ft Myers (home to the Roy Hobbs tournament). Several of those teams contacted the National Office about playing in one of our tournaments. Of course this required a bunch of last minute changes, but both Steve and Gary agreed to allow these teams to play in our tournaments in Arizona and Florida. Needless to say these teams were thrilled that they were going to be able to compete. Our thoughts and prayers go out to the city of Fort Myers (along with all of the other affected areas) and we are wishing them a speedy recovery.
