MSBL Regional Tournaments For 2024

After a two month hiatus for the holidays, our tournaments start back up in January. The Desert Classic is held in Palm Springs over the Martin Luther King weekend and the next weekend our Holiday Classic is held in Florida (January 19th - 22nd). Our Sunshine Classic is held in Panama City, FL February 23rd - 26th, followed by back to back weekends of the Las Vegas Kickoff Classic, the first two weekends in March. (March 2nd - 4th) and (March 9th - 11th). These tournaments are a great way to start off the year and get you ready for the season.

Our Most Popular Division Father / Son Starts Today

After Head To Head Results - Runs Allowed Used As A Tie Breaking Category Father / Son / Daughter / Grand father / Uncle and Brother In Laws Teammates!

By Tom Prendergast

The standings on the website are generated automatically when the scores are submitted. The MSBL WS uses a company called Game On Mobile for all of our standing and the posting of our game scores. This allows us to show the scores in real time and has vastly improved our ability to post the scores in real time. Several teams and managers rely on this information during the pool play round and have the app on their phone, that they check on a pretty regular basis. Simply put, it's fantastic! However, if there is a draw back to this system it's how the sorting of the standings are listed. It's not that the standings are wrong, the sort sometimes is inaccurate because of some of our special considerations. For example, our first tiebreaker is head to head, but because the first category sort is set for fewest runs allowed, it won't list the standings that way. And because we award one point for a team (in a lower division), whose been scheduled to play a team from another division, these points won't show up on the website. We add those by hand every night when we are preparing the standings in the newsletter. So that's the reason the official tournament standings are listed in the newsletter and not on the website. If your still confused about this, just call the MSBL WS office!

In 1998, MSBL Hall of Famer, Val Lewis proposed a Father and son division, which has grown significantly over the years. In fact, it's by far and away our most popular division. For baseball players, there's no better teammate than your father and grand father. The guys that taught you the game and took you to your first major league baseball game!
