### **2024 MSBL WS** Hall of Fame **Dan Gooris** Chicago North

By Steve LaMontia, Director of Communications

Daniel Gooris is a familiar face in Arizona during the MSBL World Series and someone I am thrilled to have called a teammate and a manager during my various stints with the Chicago Fire. A true gentleman and a baseball mind, this 74-year-old, who resides in Mettawa, Illinois, has been a staple in the Chicago North MSBL since 1991, where he currently plays for the 65-over Athletics, and has been playing in the MSBL World Series since 1992. Because of his dedication and attention to baseball detail, MSBL Founder and President Steve Sigler has inducted Dan into the 2024 class of the MSBL World Series Hall of Fame. "This award validates all of my work during the off season, getting money from players, purchasing uniforms, and more importantly, recruiting the right player/s for our Fire teams," stated Gooris. "I was fortunate enough to take over the Chicago Fire team from Bart Zeller and continue to retain and recruit players who adhere to Bart's simple baseball principles." Dan isn't just a guy who likes being in charge and filling out lineup cards. His baseball skills are wellhoned. "I played high school, legion, and semi pro (Skokie Indians and Chicago Hornets) while I was in college and for two years after, before I started my police career. In college I was a NAIA All American in 1971, while leading the conference in hitting. I was inducted into the North Park University Hall of Fame in 1997 for Football and Baseball. I never played pro ball, but had tryouts with the Cubs and Pirates." We asked Dan specifically about his World Series resume.

"My first World Series was in 1992 and I have played every year since. My first ring was in 2009 with the National Pastime, and have won five additional rings since, with the Windy City and Fire teams. I have been with the same great group of guys since 2008, but different team names. I also played in two (continued on page 2)

## Joe O'Brien Inducted Into the MSBL Hall of Fame!

Members of the 50+ Arizona Giants were on hand at the Salt River Diamondback fields yesterday as Steve Sigler, presented their league president, Joe O'Brien with his HOF plaque.

#### Joe O'Brien Arizona MSBL President - National MSBL Hall of Fame Member By Steve LaMontia, Director of Communications

Joe O'Brien is the 48-year-old envy of every league president in the MSBL family. Most of us look forward to competing on the beautiful MLB facilities and pristine area parks while traveling to Arizona for the MSBL World Series every year. Joe lives there and plays on them all year long! As we toil on high school fields with six-inch holes in front of the rubber on the pitcher's mound, his players are playing on the fields where the Diamondbacks and Rockies do battle. I am gently kidding Joe because the condition of the fields has nothing to do with all of the hard work necessary to maintain one of the largest, oldest, and most successful leagues in the country. Joe has been the man in charge since 2018. Joe's work ethic has not gone unnoticed by MSBL Founder and President Steve Sigler, as he has inducted Joe into the 2024 edition of the MSBL National Hall of Fame. "This reward doesn't just represent me," explained Joe. "It is an award for all the players, families, facility staff, umpires, and my AZMSBL Board Members. I want to thank Steve Sigler for the continued support and vision of the MSBL national to allow so many players from around the country and of every age to continue to play the best game on earth." Joe lives in Scottsdale with Kathleen, his wife of 18 years. They met in college back in Buffalo, New York, where I'm sure they left their parkas! Their two daughters, Brianna and Chiara, are 16 and 14 and both attend the Arizona School for the Arts in Phoenix. Joe is not just the architect of the league. He is also a very active player, in both the league and in tournaments. "I play first base and some outfield for the Royals in our 35+ Division and the Giants in the 45s. I began playing in the league in 2007 and immediately pulled both hamstrings! It wasn't a very positive beginning in getting back in the game." His baseball roots began in a very normal way, as did most of ours, except he was one step away from all of our Little League dreams.

"I have played baseball my whole life, Little League through (continued on page 3)

#### 2024 MSBL WS Hall of Fame

**Dan Gooris** (continued from page 1) Memorial Tournaments in Las Vegas and two Father/Son Tournaments. This year I'll be playing with the Chicago Fire in the 70s and 73s."

What is the toughest part of running a team in the World Series? "One of the hardest things about running a team is having to talk to one of your players who is crying on the phone when he has to tell you he just can't play anymore because of an injury or the pain is just too much. Or the player who can't find someone to care for his wife for the week he is in Arizona. It just wears you down sometimes."

Dan was the Chief of Police in Lincolnwood, Illinois and after he retired, he became the Director of Campus Safety at his alma mater, North Park University. Like most police and firefighters, his side job was coaching. He coached baseball and football at the local high school for four years and then was the head softball coach at North Park University for 18 years. As Dan said, "It took a lot of midnight shifts in order to make the games!"

"Just like in the movies, Dan married his college sweetheart, who played volleyball at North Park. They recently celebrated their 50th wedding anniversary. They have two children and six grandchildren.

#### NO METAL SPIKES ALLOWED AT LEGACY PARK TURF FIELDS

Heads up - if your team has a game on one of the turf fields at Legacy Park. No metal spikes can be worn on the turf.

In addition to the A/B batter or the Shared Batter position - each team can use two (2) courtesy runners.

## Joe O'Brien Arizona MSBL President - National MSBL Hall of Fame Member (continued from page 1)

high school. I did not play in college, as I ventured to physical therapy school. An interesting event was that in 1988 we lost in our Little League finals and finished one short step away from representing New Jersey in the Little League World Series in Williamsport. That was a heartbreaker." By day, Joe is a Real Estate Investor and Realtor. He consults as a Speaker/Coach in assisting clients to use real estate as a Generational wealth Generator. Getting back to the diamond, we asked Joe about his resume regarding tournament play "I have played in the MSBL World Series since 2008. We won the Father/Son Division in 2014 as the Salt Lake Dodgers.

In the league, I have thankfully been a part of so many great teams." We asked Joe who the people were who were his biggest supporters while becoming entrenched in the baseball world. "My High School coaches, Coach Henry, and Coach Sheenan taught me to be more than just a player. They taught me that beauty lies not only in the power and precision it displays but also in the intricate orchestration of countless subtle movements and decisions that can affect the game. My Grandfather was also very influential. While growing up in Kearney, New Jersey, and Beach Haven, New Jersey he lived next door, so every night we watched either the Yankees or Mets. That is my earliest memory of watching the '78 World Series and the 1986 Amazing Mets! My brother Chris and my Dad played wiffle ball, stickball, or Home Run Derby with me every day in the backyard. Dad even made us a home plate and a batter's box. I need to salute my partner in crime, Kevin Wilkison (KDub) for all he does for me and the league." Ed Klemm, Todd Trollope, Ernie Barten, Doug Harmon, Mike Dimino, Tony Burnett, and Alan Gibson.

To All MSBL players & fans. When your team has a game at the Fitch park fields or Hohokam Stadium please park your car in the designated lots, for each facility. Cars will be towed if they don't comply. Consider car pooling when your team has a game at Hohokam

#### **Bud Maison National MSBL Hall of Fame**

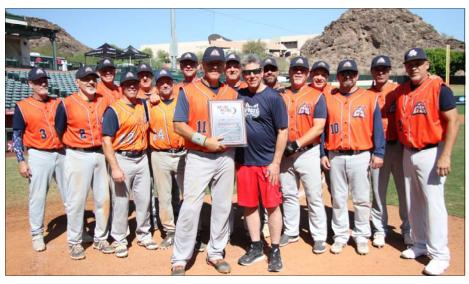

By Steve LaMontia, Director of Communications 57-year-old Herbert 'Bud' Maison is the League President of the MSBL/MABL of So Colorado in Colorado Springs, as well as being the father of four children and six grandchildren, where he began playing in 2005. The league currently consists of 37 teams across six divisions. Bud is an educator by profession at Fountain-Fort Carson High School but still manages to get in plenty of baseball activity. Bud was elected as President of the MSBL/MABL of Southern Colorado in 2014 and has been playing in the MSBL since 2005. He has served as a Manager of the Southern Colorado Pirates, the Southern Colorado Pistols, and the Rocky Mountain Predators. Bud has competed and served as a manager in the MSBL World Series leading the Colorado Springs Thunder to win the 2023 MSBL World Series in the Cactus Division, the first World Series Championship in league history. He continues to host the mid-summer Rocky Mountain Baseball Bash tournament in Colorado Springs. Bud also stepped up during Covid by becoming the creator and mentor of an MSBL-endorsed online Baseball Play Station tournament, hosted and maintained by Bud personally. For all that Bud accomplishes in heading up one of the most successful leagues under the MSBL umbrella and his involvement with the MSBL World Series, MSBL Founder and President Steve Sigler has welcomed Bud into the 2024 class of the MSBL National Hall of Fame.

"I am humbled to be recognized for this award," stated Maison. "I try to provide our league and teams a great opportunity to play ball and enjoy the time we spend together!"

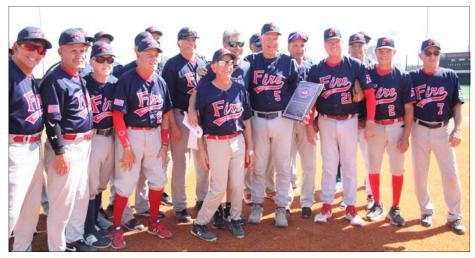

Bud's baseball and athletic resume is quite note-

worthy. He started his baseball journey as a traditional high school athlete from 1982 through 1985 at South Lake High School in St Clair Shores, Michigan. He then played in a collegiate league in 1985, ultimately leading him to the CanAm Baseball League as a member of the Watertown Athletics in 1987 and 1988. The multi-sport athlete then expanded to football in 1990, as he suited up for the Watertown Red and Black of the Empire Football League. Bud's World Series experiences began a little frustrating, though ultimately successful. "We made it to the 50+ semi-finals from 2016 through 2019 and finally broke through last year, winning the 50+ Cactus championship with the Predators. I manage the team and try to spend some time at first base and behind the plate. That ring easily tops the list of my personal tournament highlights." Bud's team also plays in local tournaments and travels to the Coley/Elwater/Foster tournament in Rapid City, South Dakota, where they were champs in 2021 and 2023. His educator background has led him to the Fountain-Fort Carson High School in Colorado where he teaches and also readily gives of his time. One example of Bud's volunteer efforts is the Trojan Baseball Club, offering participation and training in age brackets from eight and under to 14 and under.
