New MSBL WS Rule Updates

By Tom Prendergast

Planning for the MSBL World Series is a year round operation. Steve's bags aren't even unpacked and he's emailing projected divisions to managers for the next year! He's in full World Series mode, 365 days a year. So most of our merchandise and baseballs are ordered 6 months in advance. In addition to that so are our scorebooks. Our special MSBL rules, for the most part remain the same year after year. But this year, MSBL National decided to amend a couple long standing rules. These include the following:

Courtesy Runners - this year, <u>in addition</u> to the A/B batter or the Shared Batter position, every team gets two courtesy runners.

And instead of the last batted out being used as a courtesy runner, it's been changed to the last out! Both of these simplify this process.

All 65+ Cactus teams that play a National or Central team will receive two points for a win and 1 point for a loss.

Jim Tygrett-DeNuzzi, Sacramento MSBL

By Steve LaMontia, Director of Communications

By definition, the meaning of a lifetime achievement award is to *recognize contributions* over the whole of a career, rather than or in addition to single contributions. That description rings true in describing our 2024 co-recipient of the MSBL Lifetime Achievement Award. Our recipient has been an integral part of the MSBL since there was a Sacramento MSBL. Jim Tygrett-DeNuzzi is a 75-year-old mainstay and past president of the league, as well as an MSBL World Series veteran as a manager and participant in multiple tournaments across the landscape. "Jim possesses every quality not only necessitated by an adult baseball league but for any company in need of highly organized, dedicated, and experienced leaders," explained MSBL Founder and President Steve Sigler in Jim's previous 2013 MSBL National Hall of Fame website story. "Receiving the MSBL Lifetime Achievement Award is an honor and humbling," said Tygrett-DeNuzzi. "Serving the Sacramento MSBL as an administrator for 25 years and as a player for 30 has been most rewarding. It's been hard work, time-consuming, and fun, all at once." In addition to this prestigious award, Jim is also a member of the Sacramento Hall of Fame (2011), the MSBL Honor Roll (2012), (continued on page 3)

NO METAL SPIKES ALLOWED AT LEGACY PARK TURF FIELDS

Heads up - if your team has a game on one of the turf fields at Legacy Park. No metal spikes can be worn on the turf.

All MSBL players must have a government issued ID - with a photo to participate in the 2024 MSBL World Series. And they must have it with them during all games. Failure to produce this ID on demand, will result in an immediate forfeit of the game

Lifetime Achievement Award Recipient: Jim Tygrett-DeNuzzi, (continued from page 1)

and the MSBL (2012), and the MSBL National Hall of Fame (2013). Jim lives in Plumas Lake, California, which is about 30 miles outside of Sacramento. He is currently retired from the corrections and court systems profession and plays a lot of baseball and golf! A few bangs and bruises have limited Jim's playing time recently but you can still find him toting a scorebook in the dugout while managing some pretty successful Sacramento teams.

"I try to play some first base, outfield, and even catcher. I used to play second base in the past but mobility has become an issue lately. I am still able to sub for the 50+ Giants and the 68+ Rays in the league".

Jim's MSBL baseball roots take him back to 1995 in Sacramento as he has served as commissioner, secretary, treasurer, vice president, and finally as League President from 2009 to 2014. His baseball passion began as a three-year high school second baseman and catcher in South New Jersey, which led to a collegiate career in Missouri as a shortstop and outfielder.

"Jim is the Proud Father of Army Veteran and daughter Taryn Noel and a 'grampa' to Rocco. He grew up with his sisters Bernadette and Deb, and his brother Joe. His extended family continue to reside in New Jersey and New York. "I'm the only one in California, besides my daughter and grandson." Jim's current managing assignment is heading up the tournament powerhouse Sacramento Royals in the 65-over division of the MSBL World Series. "We're not getting any younger so we moved up from the 60s. So far, so

good." "I don't play much anymore and mostly just manage. My legs are gone and I've got significant back issues requiring surgery I choose not to have at this age, but I love being around the guys.

And I want to urge everyone to simply get involved, volunteer, don't be complacent, and make it better no matter what it is.

Not for the recognition but for your own personal satisfaction knowing it will benefit

those whom you are serving. The MSBL Lifetime Achievement Award is the cherry on top and I am forever grateful."
