2024 MSBL/MABL National Hall of Fame Recipient: Jim Frenn, Bay Area MSBL

By Steve LaMontia, Director of Communications
72-year-'young' Jim Frenn has been the League President of the Bay Area MSBL since 2013 and was inducted into the MSBL Honor Roll in 2014. It turns out that the Honor Roll would not

be the last of the awards bestowed on Jim while saluting his leadership abilities. Fast forward to 2024. Jim has been recognized by MSBL Founder and President Steve Sigler for his attention to duty and continued baseball passion, now being inducted into the 2024 class of the MSBL National Hall of Fame. "At my age, one would think I was done with winning awards," replied Jim. "I endured the last one (*Honor Roll*) with being called *HOFer* by my good-natured teammates. I guess that will start again! I am an average ballplayer who loves playing this great game of baseball. Competition is fun, but hanging with guys and having a common goal of camaraderie is why I have done this for 34 seasons. It is the longest relationship I have ever had. This award says to me I must be doing something right." Jim's roots go back to joining the league in 1991 and now shares his playing time in the nearby Tri-Valley MSBL. "I play on the 65+ Emeralds in the Bay Area league and on the 68+ Firebirds in Tri-Valley. I primarily play first, second, and third bases and still occasionally step on the mound. I also played in tournaments all over the landscape and even played against the inmates at San Quentin Penitentiary. I have competed in divisions from 32-over through 65 for so many teams, including being a part of the Giants, Gigantes, Giltners, Oaks, and Vets. Jim's expanding list (continued on page 2)

Tie Breaker Scenario's Include Head to Head Play and Runs Allowed

75+ American Teams Will Receive A Point In Games They Lose to a National Team

By Tom Prendergast

Today is the final day of pool play games and for some teams an opportunity to control their own fate. The standings remain very close in several divisions, and a win over an opponent that they are tied with, probably puts them into the playoffs. Some of the teams on the bubble will need some help. As always the first tie breaker is determined by head to head play, when all of the teams with the same record are tied. But if four teams in the same division are 4-2, and these teams haven't played each other in pool play, then fewest runs allowed will be the determining factor. Wildcard teams with the same records, from multiple divisions, will use runs allowed to determine the seedings. Needless to say it's extremely important to verify your teams runs against! While the Team Snap Tournament App has been terrific and very easy to use, it doesn't always sort according to our guidelines. So the official standings can be found in this newsletter, on page 3. In case of any questions, please call the WS office. 75+ Division - American teams that play a National Division team will be receiving 1 point for a loss or a tie and two for a win. Winning % is used if a team plays an extra game.

MSBL WS Playoff Eligibility Form (must have one for every playoff game)

To be eligible to play in the playoffs and championship game, a player must have had at least one plate appearance in 2 round robin games or have pitched 3 outs in each of 2 round robin games or a combination of the two. (ie: pitch 3 outs in one game and 1 plate appearance in another) within the preliminary round robin or pitch 7 innings in one round robin game. This must be documented in your score book and the scorebook of your opponent or the player (s) would be deemed ineligible.

includes approximately 24 years of tournament ball in Palm Springs (Desert Classic-1 championship); Las Vegas (playoff series); San Diego; Woodland (playoff series) and Sacramento. The MSBL World Series in Arizona remains the main event every year, as we have been involved in many playoff series." With this extensive resume of league tournament play, does anything stick out as truly special? "The number one special moment is playing alongside so many guys that I have met and have had fun playing baseball with over the years. Playing at San Quintin Penitentiary against the inmates is certainly a highlight. Also, playing at Pac Bell Park (now Oracle Park) and at the Oakland Coliseum. I have played at so many minor league ballparks, too. I am always competing and playing to win championships." Any final comments? "I need to thank Greg Mohr for drafting me into the BAMSBL Dodgers, my first team. I need to include all my teammates with the Dodgers and Cubs, whom I managed for so many years. I can't forget my latest team that I manage, the Emeralds, and all of my teammates. Plus, I can't believe I am still playing ball! I have been the President of the BAMSBL since 2013 and could not have done this job without my good friend and league treasurer, Aaron Selix. He remains a Hell of a pitcher too, with many BAMSBL Best Pitcher awards!"
